

Welcome to the Spring edition of Happenings at the Hub!

Welcome to the latest edition of the Glenorchy Jobs Hub (GJH) newsletter! We'll be bringing you a fresh update each quarter, with a look at what's happening, what's coming up and the ways the GJH team can support you.

Spring is all about new beginnings, making it a great time to give your career a refresh too.

With the busy end-of-year hiring period just around the corner, now is the time to get prepared.

From seasonal work and apprenticeships to training opportunities and longer-term career pathways, there are plenty of ways to spring into something new.

Keep reading to discover what's happening across the Glenorchy employment and training community this season.

Spring into Opportunities!

Spring is a season for fresh starts, new growth and looking ahead; and it's the perfect time to take the next step towards your employment or training goals.

Whether you're looking for your first job, considering a career change, returning to work or wanting to build your skills, there are opportunities available across the Glenorchy community.

The Glenorchy Jobs Hub is here to help connect job seekers with employers, training providers and practical support to help turn goals into action.

For employers and job providers, spring is also a great time to think about your future workforce needs, connect with local talent and explore opportunities to support people into meaningful employment.

And for trainers and training providers, it's an opportunity to showcase the skills, courses and pathways that can help local people take their next step.

This spring, let's grow opportunities together.

Is your resume spring ready?

1 Update your details!

Make sure your contact details are current and professional.

2 Give your work history a refresh

Have you gained new experience, completed training, or volunteered since you last updated your resume?

3 Tailor it to the job

One resume doesn't have to fit every job.

4 Highlight your transferable skills

Think about skills you've developed through previous jobs, volunteering, study, or other experiences.

5 Keep the formatting simple

Use clear headings, consistent formatting and bullet points.

6 Check before you send!

Give your resume a final proofread. Check spelling, grammar, dates and job titles, and make sure you've attached the correct version.

A fresh resume can open new doors.

Your resume is often an employer's first introduction to you, so make sure it shows your skills, experience and potential. Need a hand refreshing your resume?

The Glenorchy Jobs Hub team can help you take a fresh look at your resume and get ready to put your best foot forward.

Connecting Job Seekers with Health Industry Opportunities

A massive thank you to Adi and Rida from Nurseline, part of the Searson Buck Group, for generously giving their time to participate in an information session on nursing and allied health recruitment.

Adi and Rida shared their industry knowledge and experience, offering practical advice and answering questions to help participants better understand the recruitment process and feel more confident when pursuing opportunities in the sector.

The team at Glenorchy Jobs Hub genuinely values the strong collaboration we have with the Searson Buck Group and its teams. A huge thank you again to Adi and Rida for their time, expertise and generous support of the Glenorchy Jobs Hub community!

Jobs Pledge Partner Spotlight - Career Connector delivered by Searson Buck

Did you know that Career Connector is Glenorchy Jobs Hub's sister hub, based in Hobart City?

Proudly delivered by Searson Buck, Career Connector is a free service for eligible jobseekers across Greater Hobart and the Southern Region, providing personalised career advice and support to help you get work-ready and take your next step. Led by Justin and Fon, the team can help you explore training and employment opportunities, connect with service providers and access additional programs and support.

Career Connector has also been a fantastic supporter of Glenorchy Jobs Hub. The team regularly joins us for industry information sessions and has been a valued partner of our Jobs Fairs and Careers Expo since we began.

As part of the Searson Buck group, registering with Career Connector may also open the door to professional recruitment opportunities across temporary and permanent roles, including administration, professional services, blue-collar and health services. We're proud of the strong relationship we've built with the Career Connector team and look forward to continuing to work together to support jobseekers across our region.

*Eligibility criteria may apply.

Looking for a Spring Workforce?

Spring is here, and with the busy end-of-year period on the horizon, now is the perfect time to start thinking about your workforce needs.

Whether you're preparing for increased demand, planning seasonal recruitment or looking to grow your team, getting started early can help you find the right people and give new employees time to settle in and get job-ready.

The Glenorchy Jobs Hub can help connect employers with local job seekers who are ready to work, develop their skills and take the next step in their careers.

Looking to grow your team this spring? Let's connect!

We have new team members!

We're excited to welcome Jack and Maxine to the GJH team!

Jack has joined us as our Youth Jobs Coach, supporting young people to build confidence, identify their strengths and explore training, education and employment opportunities.

Maxine joins us as a Jobs Coach, bringing extensive experience in nursing and healthcare, along with a passion for helping people discover their strengths and explore new career pathways.

Together, Jack and Maxine will support our participants to take the next steps in their career journey – whether that means finding a job, exploring training, changing careers or building confidence and new skills.

Please join us in giving Jack and Maxine a warm welcome to GJH!

A GHJ Success story: Hayden's first step into his Electrical Career

The Glenorchy Jobs Hub is excited to celebrate Hayden, who has recently secured employment as an Electrical Trades Assistant with INCAT.

A young Indigenous job seeker, Hayden came to the Hub with a clear goal of building a career in the electrical industry. Despite holding a Certificate II in Electrotechnology and actively applying for roles, he was finding it difficult to get his foot in the door.

With support from our Jobs Coaches, Hayden worked on his resume, cover letters and job applications while continuing to pursue opportunities. His persistence, motivation and commitment to his career goals really stood out. Through our strong relationship with INCAT, the Glenorchy Jobs Hub was able to put Hayden forward for an Electrical Trades Assistant position, highlighting his skills, qualifications and enthusiasm for the industry. Hayden was successful at interview and has now started his new role!

A big thank you to INCAT for providing Hayden with this valuable opportunity and helping him take that important first step into his chosen career.

Congratulations, Hayden! Your hard work and persistence have paid off. We wish you every success as you build your career in the electrical industry.
